WAITLIST FORM 2010-2011

(Please use one form per child and complete BOTH Sides of the form.)

Families who miss the Lottery may request placement on any class Waitlist. Your Waitlist application will be processed in the order it is received. Openings in all classes will be filled from the Waitlist through the end of the calendar year or at the Director's discretion. DCP will call you if a spot becomes available for your child and you will have 48 hours to accept or decline the offer. Your application will be kept on the Waitlist until the current school year is finished. You are welcome to contact us to check your Waitlist status. Please note that we balance the class by gender when filling spots from the Waitlist. Waitlists are not carried over from year to year. You must re-apply each year. Contact Jamie Whetstone, Director, to find out about specific class availability and Waitlists.

There is a \$15.00 non-refundable processing fee to have your child added to the Waitlist. If this fee is a financial hardship for your family please contact the Director, Jamie Whetstone, at 303-777-6867 to discuss options.
